

Now Accepting Subscriptions for Our 2012 Issues of the *Propane Living* Consumer Newsletter

The *Propane Living* Consumer Newsletter is back for another full year. The first quarter 2012 issue will feature seasonal safety tips and a winter recipe. Like our Duty to Warn program, we do everything for you and your name is featured on the mailing. You just send us a completed registration form and a customer list in an electronic spreadsheet like EXCEL. We will bill you a \$ 45 fulfillment fee and 3.3 cents per address list processing fee. So for example: if XYZ Propane Co. has 1,000 customers on their list. They only pay \$78 for the entire mailing. Each propane company registrant will also receive 25 complimentary copies for their office. Bulk shipping option is available in place of mailing. **Registration and lists for the first quarter newsletter are due no later than February 1, 2012.**
